OCTOBER

19th Back to school

23rd Book Week Dress Up Parade

Message from Nikki G

Thank you to everyone for a successful and very busy term!

The Reading Aloud Challenge has been great with about 35% of the school being read to every night by the parents or carers or adult in their home for 4 weeks! Certificates will be awarded for this and we will do it again next term. I am hoping for even bigger numbers.

PAT testing and the Wellbeing Survey have been completed and we look forward to analysing the data for whole site improvement.

We are having Book Week from Mon 19th October to Friday 23rd October in term 4. The annual dress up parade will be on Friday 23rd October but due to COVID-19 restrictions will only involve students. Each year the costumes get better and better so hopefully you'll have time over the holidays to plan something spectacular!

Class Placement 2021

We will begin the process for developing our classes for the 2021 school year early next term, and it is very important that we begin with accurate student numbers. If your child/children **will not** be attending our school next year, please let us know as early as possible. If you have any information that you would like taken into consideration with placement of your child next year, please provide it **in writing to staff at the front office by Friday 23rd October (Week 2 Term 4)**. It is important to remember that there are only a limited number of classes available at the various year levels and that we have to work within these to ensure that every child is placed in the best possible class.

Special Class placements are the result of a brokering exercise that occurs at our Regional Office so this process **does not** include students from these classes.

School Watch

During the holidays if you are near the school and you see anyone damaging school property or using the facilities inappropriately please **ring Police Security on 131444**. We want to keep our school safe and secure! Thanks!

Staff Next Term

Stacey Zammit will return to site in term 4 and work with Beth Mowat in one of the Y1/2 classes. Stacey will work Mondays, Thursdays and Fridays. Beth will work the remaining two days. Farewell and thank you to Kate Barley who supported students in the Early Years. We wish her well.

Term 4 Planner

To help families with organizing and planning next term, attached with this newsletter is a Seaford K-7 Term 4 Planner. Please keep your eye on the Diary Dates included in the newsletters for any updates. A hard copy will be sent home with the youngest today or spares are available from the front office if you need one!

School Hats and Uniform

As per our school policy and guidelines from the Cancer Council the wearing of school hats is now compulsory. Bucket hats can be purchased at the Front Office for \$10. Please write your child's name in their hat so they don't find their way to our lost property. Students not wearing hats need to be in delegated shade areas at recess and lunch.

A reminder to everyone that our school dress code does not include jeans or items of clothing that are **NOT** part of our uniform policy. An increasing number of our students are coming to school wearing items of clothing that don't meet our school dress code so please check that your child is dressed appropriately.

Holiday Ideas

Check the Community noticeboard in the courtyard as there are some interesting ideas for activities during the upcoming holidays.

Copies of the **Community for Children – Onkaparinga** newsletter are available from the front office.

This contains lots of interesting reading, timetables of activities at various venues and lots of fun ideas to do with your kids.

Attendance Rate

Hi everyone another good week for attendance last week, thank you for your commitment to get the most out of school. As we wind down at the end of this week please remember to let the school know of any absences and have a safe and happy break. Looking forward to seeing some refreshed faces next term for the final term of the year! Perhaps even increasing our overall

attendance average from 85%. All the best, Michelle.

Year to Date (2020)
